

# Pugwash and Area Social Duplicate Bridge Club

**Mission:**

To have fun playing duplicate bridge in a relaxed social atmosphere.

We generally meet every second Monday evening in homes of members who volunteer to host. If you are unable to offer to host that is OK too.

We welcome new bridge players. You do not need experience in playing duplicate bridge. If you have only played bridge a few times or have not played for many years that is fine too.

Regular meeting dates/times/location	Every second Monday
